SmartWay Transport Partnership

- Between the ground freight industry and EPA
- Improve fuel efficiency, reduce emissions, save \$
- Launched Feb 2004 with ATA, top carriers & shippers
- Now over 740 partners in 45 states & Canada
 - Trucking
 - Shipping
 - Vendors
 - Rail
 - Logistics
 - Affiliates

What SmartWay Does

- Help partners find efficiencies
- Develop & verify technology
- Develop electrified truck stop network
- Set up Truck Upgrade loan programs
- Certify SmartWay Trucks & Trailers
- Promote biodiesel via Grow & Go
- Promote ways to manage port dray trucks
- (2008) SmartWay Supply Chain!

Carrier Technologies & Strategies

- Idle reduction
- Speed control
- Driver training & incentives
- Improved aerodynamics
- Advanced tire technology
- Advanced lubricants
- Weight reduction
- Improved freight logistics
- Intermodal alternatives

Thanks...

Thanks for saving energy.
Thanks for cleaner air.
Thanks for being a SmartWay Transport Partner.

The following truck carters are leading the way in reducing emissions and fuel consumption:
